Meetings & Events at Birchwood Park

When a room
isn't enough, think...
space.

Meetings have changed. We know our clients want more than four walls, they want experiences that inspire, connect, and energise.

At the EngineRooms at Birchwood Park, we don't just provide meeting rooms. We offer SPACE, indoors and out, that can be transformed into anything you imagine.

Your blank canvas.

Your
big idea.

Our outdoor spaces are perfect for everything from team-building challenges, to wellness days, to company celebrations.

Create events that make an impact.

Your imagination opens endless possibilities.

Work.

Play.

Celebrate.

We've hosted knockout team challenges, sizzling BBQ feasts, and family fun days that brought colleagues closer together.

With innovative food and beverage options, energising activities, and space to breathe, your event becomes a lasting memory.

A group of five people are seated around a long, dark wooden conference table in a modern meeting room. The room features large windows with horizontal blinds, allowing natural light to enter. On the table, there are several clear glass water bottles, glasses of water, and a laptop. The people are engaged in a meeting, with some looking towards the camera and others looking at each other. The overall atmosphere is professional and collaborative.

Everything you expect,

and
so much
more.

From board meetings to banquets, we'll take care of the details so you can focus on your people.
